

The Ludlow Link

Hello Ludlow,

Since we can't all be together at the moment, we will be producing weekly 'Ludlow Link' newsletters to keep us connected. Believe it or not your teachers are really missing you so they have been thinking of fun ways that we can stay in touch, including emails, phone calls, sending in home learning, setting you challenges and they are even going to be doing some challenges that you set for them! Remember as a member of our Ludlow family, we may be apart but you are never alone.

The Ludlow Team 😊

HOME LEARNING

New home learning is now available on the website. Your teachers would love to celebrate some of the wonderful work you have been doing at home so if there is a piece of work you are particularly proud of, send it to your teachers email address for them to see. It might even make it onto the website!

Mr Cassim's Run

Did you spot Mr Cassim on his run during the Easter holidays? He planned a route around Woolston and ran past lots of pupil's houses, whispering to them his secret code word! Over 50 families came out to support him cheering, waving banners and even bashing pots and pans! It really made his day! Your support helped him to achieve his PB of 11km in under an hour. If you did get to see him, the secret code word was bogies!

Hamish

Starting this week Hamish will be keeping you all up to date on his home learning, staying fit and what he gets up to during lockdown. You will find his daily updates under the Home Learning tab on the school website.

'It's a Ludlow Thing' Music Video

Have you seen our music video?

The teachers created their very own music video to keep you entertained whilst you are staying safe at home.

Check it out on our Facebook Page.

Miss Crook's #shelfie ★Favourite Books★

Hello everyone! As you may know I LOVE to read, but even more than reading, I love talking about what I have read and looking for the next book to get stuck into. Look out for my weekly book recommendation "Miss Crook's Favourite Books" and let me know all about the reading you are enjoying at the moment! I'd love to receive your thoughts on stephanie.crook@ludlowjunior.org.uk.

Happy reading Ludlow!

Be a Star

We would love to see what you have been up to at home so we are planning to make a video starring as many pupils as possible! Please send us photos of you at home if you would like to star in our pupil video. This could be of you doing your home learning, playing, baking, dancing, making rainbows, building dens or anything else fun you may have been up to!

We are really looking forward to seeing photos of you all and are sure that it will make your friends smile to see you too! Please ask your grown up to send your photos to challenge@ludlowjunior.org.uk stating that they are happy for these to be used on the school website and Facebook.

What have the teachers been up to?

Mrs Lucas

Hi everyone,
As well as planning fun lessons for year 3 to continue learning from home and having meetings with teachers on Zoom, I had great fun writing the lyrics for the teacher's music video! I've also managed to get creative during lockdown too. I have completed some artwork, learnt how to make friendship bracelets and have also baked lots, including a rainbow birthday cake for my daughter Alice. I hope you have been getting creative at home too! Stay safe,

Mrs Lucas

Mr Palmer

Hello Ludlow,
Staying indoors has been quite fun! I've been creating lessons for the website, answering parent emails and keeping in touch with the other teachers, but the best job of all was putting together the video "It's a Ludlow Thing!" Have you seen it? I hope it made you laugh and smile! Other activities that have been keeping me busy include completing puzzles, watching films and making cards to send to my family to let them know I am thinking of them. I hope you have been having fun too. Stay safe.

Mr Palmer

Challenge a Teacher!

Have you got a fun or exciting challenge that you want to set for a teacher? This could be related to sport, music, art, baking, singing, dancing. The only rule is it has to be fun! We will choose some of your challenges for your teachers to complete and post photos or videos of them on our facebook page and the website.

Send in your challenges to
challenge@ludlowjunior.org.uk

Competition Time!

As a school we want to brighten up everyone's days and show our appreciation for the NHS. Therefore, we need your help to design banners that will be professionally printed and displayed outside of school.

If you are up for the challenge, please
send your entries into
challenge@ludlowjunior.org.uk
