

The Ludlow Link 2

Hello Ludlow,

We hope you have had a fun week at home. It has been lovely to see even more photos of the fantastic work you have been doing. Did you see the video with lots of your photos on Facebook? Making it was so much fun and it made the teachers happy to see all the exciting things you have been getting up to. Keep sending your photos and your home learning into your teachers for them to see. That way, whilst we are apart, we can still be together in spirit.

The Ludlow Team 😊

HOME LEARNING

Teachers have been really impressed with the home learning they have received from children in their class. Starting this week, teachers will be nominating pupils for Headteacher's Awards. Keep working hard at home and you may earn yourself a Headteacher's Award and get your work featured on the website!

Challenge A Teacher

Earlier in the week, 7 teachers went head-to-head and took on Lola and Mitchell's challenge to build the highest toilet roll tower whilst in the push-up position. It was a nail-biting competition, but Mr Coker was the winner with a whopping 17 toilet rolls in his tower! Well done Mr Coker. If you haven't seen it already, you can watch the competition video on the school Facebook page.

Mrs Howell's Baby

On Sunday 19th April Mrs Howells had her baby boy called Wilf. He was in such a hurry to enter the world that Mrs Howells had him in the car on the way to the hospital. Mrs Howells and baby Wilf are both doing really well, You may have seen Mrs Howells in the Daily Echo or even on the tv on South Today.

Making a difference

We were really proud to hear from pupils (and one teacher!) who have been thinking of others during Lockdown and raising money for charity. Impressively, Reggy has begun running a mile a day for 26 days to raise money for a charity very close to our hearts - Abby's Heroes. He has already raised over an amazing £500! Nathan has wowed us by cycling 26.2 miles in a week and has raised over a humongous £500 for the Southampton Hospital Charity. Jenny has been selling hand decorated bags to raise money for patients during Lockdown. Finally, Mr Holland has begun the mammoth challenge of cycling 1000km to raise money for NHS Charities Together. It is wonderful to see Ludlow making a difference to the lives of others during Lockdown.

New Challenge Alert!

Have you seen Mrs Lamb's and Miss Dipietro's new arty challenges on the website?

Keeping in Touch

Did you know that even though they are not in school every day the teachers are still having lots of meetings? They meet several times throughout the week to discuss important issues like your home learning using Zoom.

How are you keeping in touch with your friends whilst you are at home?

Hamish

Hello friends!

Have you been enjoying my daily updates? Don't forget to look on the school website to find out what I have been up to. I'm really missing you. I can't wait until we are back to school and everything is normal again! This is a time we will remember when we are all grown up! Are you making the most of it? What is your favourite thing to do? Mine is reading in the lovely sunshine!

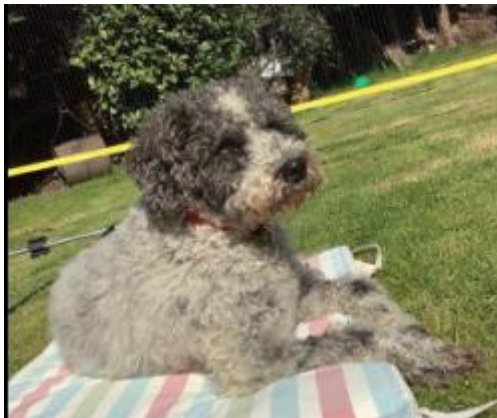

Have you seen the teacher challenges on the school Facebook page? It's so funny watching them try to win! Please help me think of brilliant challenges for the teachers, it's such great entertainment!

Did you catch my wave during the "It's a Ludlow Thing" music video? I'm saying hi to you! I'm so proud of my new skill!

Take care of yourself and I will see you soon! I'm proud of you!

Love Hamish ♡

Ps. I hope you enjoy these photos of me camping in my garden! It took me ages to build this tent! Not really, I just sunbathed until it was ready. It took Miss Garner longer than it should have though!

What have the teachers been up to?

Miss Dipietro

Hi everyone,
I hope you have all been making the most of this time indoors! During lockdown, I have enjoyed making challenges for the website and lessons for year 6. The Africa topic has been really interesting and I would love to see photos of any work you have done on this! I have had to make sure I make time to be creative including building Lego sets, stitching a felt elephant for Mrs Vokes and colouring. I've now set myself a challenge to read as many of the books in my bookcase as I can whilst we are home! I hope you have been having fun too! Stay safe and stay in ☺

Miss Dipietro

Mrs Young

Hi Ludlow,
I miss seeing all your lovely faces! I have been keeping myself busy at home - planning some fun science lessons, planting, baking, doing crafts and trying to home school my daughter. I understand how difficult it is for parents to juggle work and teaching, as that is what I am doing too. The most important thing is to enjoy this extra time together. Over the Easter holiday, we camped in the garden because we couldn't go on holiday. It was much easier than having to pack up the car! I have been so happy to hear of all the lovely things you are doing at home - baking, artwork, music, even building fairy doors! Keep all of your photos and videos coming. It really brightens my day!

Mrs Young

Challenge A Teacher!

We have had lots of fantastic challenges sent into the teachers. This week the teachers will be competing in a pancake flipping challenge sent in by Sammy.

Who do you think will win?

Competition Time!

There is still time to send in your designs for the rainbow banner competition to have your design be part of a banner professionally printed and hung along the school gates.

If you are up for the challenge, please send your entries into

challenge@ludlowjunior.org.uk
