

The Ludlow Link 9

Hello Ludlow,

This week, we have been very proud of all the continuous hard work we have seen from children both in school and at home. Well done to those of you who have received a headteacher's award for your Ludlow's Got Talent 2020 review writing; the teachers have thoroughly enjoyed reading them! Also a huge well done to those children who have received praise and awards for other achievements. The quality and creativity of work we have seen has been phenomenal! Keep up the hard work everyone! 😊

This week, after careful planning and consideration, we are looking forward to welcoming more children and staff back to school to form Bubble C. Keep staying safe everyone. We know it is a stormy time but keep looking for rainbows and thinking positive thoughts!

The Ludlow Team 😊

Mrs Street's Brain Busters

The answer to last week's question was 'incorrectly' is always spelt incorrectly. We had three correct answers from Luca, Joe and Coral. Well done to them.

This week's brain buster:

'A five letter word becomes shorter when you add two letters to it. What is the word?'

If you think you can crack this week's, please email your answer to:

Maria.street@ludlowjunior.org.uk

Amazing Abigail

This week, Abigail-Grace Parr very kindly decided she wanted to donate some of her hair to the Little Princess Trust. The Little Princess Trust provides free real hair wigs to children and young people who have lost their own hair through cancer treatment or other conditions. She donated an incredible 7 inches of her hair to this wonderful charity and is currently waiting for her certificate. Well done Abigail - what an incredible thing to do!

What have the teachers been up to?

Mrs Lenza

Hi everyone! I've definitely been making the most of lockdown. Since everyone else has been staying inside, I've been out and about and seeing the world whilst there's no crowds! I've visited the Eiffel Tower, The Statue of Liberty, Niagara Falls... of course I'm joking, but the Lenza household has been busy! In between all of the work I've been doing, I've also been exploring with my husband. We've found so many fun walks nearby, but my favourite was a trip to The New Forest where we discovered a really lovely beach! It was so peaceful, and we even saw some donkeys who were enjoying the sunshine too! I've been making the most of the brilliant weather and spending lots of time in the garden. I've tried to teach our pet bunnies, Ron and Hermione, some tricks but it isn't going too well! You can see from the pictures that they'd much rather be eating. We've started growing some vegetables which I'm hoping will be really tasty... if the bunnies don't get to them first! The last couple of months have certainly been strange, but really special too - we got to see Baby Lenza for the first time! It was scary going to the hospital by myself but I got lots of great pictures that I could show my husband afterwards. I've included one so you can have a sneak peek! Stay safe everyone, and hopefully I'll get to see you all soon!

Mrs Lenza ☺

Mr Lewis

Hi everyone,
I hope you are all keeping well and enjoying your time at home as much as you can be. I know I have been trying to enjoy myself by doing things I enjoy whilst planning lessons from home. I have been in school a few times and I will be teaching again next week - I cannot wait! I have been spending some time with the horses, going out for some rides as well as training them in the school, but more recently as the Livery Yard was in lockdown before. I have also been going on long walks and bike rides to keep my body moving. I have recently started trying to grow some things too! I have never really been one for gardening but more time at home has allowed me to try some new hobbies.

I have been growing tomatoes, potatoes, lettuce, radishes, herbs and even some chillies! I hope everyone is staying safe, keeping busy and keep smiling! I hope to see you all soon ☺
Mr Lewis.

Escape Extravaganza!

If you would like to try something new this lockdown, we've had a great parent recommendation for an exciting activity; online escape rooms! Are you ready for the challenge? 😊

Talking about Transition

We wrote last week about transfer day looking a little different this year and what to expect; you all now know your new teacher for next year and we hope you are as excited to meet them as they are to meet you! We know transitioning to a new year, a new classroom and a new teacher is a very exciting time but for some of us, it can be quite nerve-wracking. If you are worried or have any questions, don't hesitate to ask an adult to contact your current class teacher or even your new class teacher and you can talk it through with us! Our job is to make you feel as comfortable and confident as possible - so if you need to talk, we're here for you!

Hamish

Hello friends!

How are you all? I've been meeting a few of my grown up friends out on my walks this week including Miss Lovland and Ms Locke! I also met my dog friend Archie's little puppy brother! He was too small to play with me so I can't wait to have some fun outside together! Have you been outside much?

Don't forget to look on the school website for my daily updates to find out what I have been up to!

It's lovely to see some more friends back in school. I am thinking of you all at home too and I'm so proud of you! Well done, you are all fantastic!!

Take care of yourselves and I will see you soon! I'm proud of you all!

Love Hamish ❤️
