

Welcome to Year 5!

The year 5 team are very sad that we are not able to meet you before the summer holidays because we are unable to be in school all together at the moment. However, we are super excited to return to school in September and see all of your lovely faces!

Until then, we thought we would introduce ourselves so you know a bit about us. We also wanted to give you more information about year 5 so you can feel as excited as us about next year!

Neptune

Saturn

Mars

Earth

Venus

Meet your teacher!

Hi, I'm Miss Wadeson, the teacher in 5 Saturn!

Hello! I am Miss Wadeson and this will be my first year teaching at Ludlow! Some of you might recognise me already though as I spent some time earlier this year in Zebra with Miss Luxton.

I love English, art and P.E and I am really excited to be in Saturn Class!

When I am not at school, I enjoy playing rugby, running and going out on my paddle board. I also love reading and can't wait to share some of my favourites with you.

I am looking forward to September and getting to know you all!

Activity 1

It would be great if you could email me so I can get to know you!

Use the template below.

katie.wadeson@ludlowjunior.org.uk

Dear _____

I am really looking forward to being in your class next year!

My favourite subjects are _____ and _____.

When I am not in school I enjoy _____ and _____.

An interesting fact about me is....

From _____

Meet the other year 5 teachers

Hello lovelies! I am Miss Luxton, year 5 leader this year! Most of you know me already and I am so excited to spend another year with you all. This will be my third year at Ludlow and I am really excited about being in 5 Mars this year. I love English, especially reading, I can't wait to share all my favourite books with you! I also love teaching history and science.

In my spare time, I love walking in the New Forest or visiting the seaside, playing netball and reading. Having been in year 4 for the past two years, I am really excited to teach all of the exciting topics we learn in year 5 and I'm looking forward to a wonderful year.

Hi, I'm Miss Luxton, Year 5 team leader and teacher in 5 Mars

Hello, I'm Mr Poucher, the teacher in 5 Earth!

I have been teaching for nearly twenty years and have been a class teacher in every year group from Nursery to Year 8. Year 5 is one of my favourite year groups to teach.

I love teaching history and maths but my favourite part of the school day is reading our class story - we get through a lot of books every year!

I am looking forward to a more settled school routine for everyone.

Meet the other year 5 teachers

Hi, I'm Miss H-P, a teacher in 5 Venus!

Hello lovelies, I'm Miss Hartnell-Parker (most children call me Miss H-P!). This will be my fifth year teaching at Ludlow however, I have just come back from having my little girl, Indie. I am sure you will hear lots about her! My favourite subject to teach is maths - I absolutely love the light bulb moment when you figure out how to do something you'd been struggling with. I also love planning fun things for you to take part in at school. This ranges from the sponsored bounce to the Summer and Christmas Fayre, and lots of different activities throughout the school year. You will see my name on lots of letters!

When I'm not at school, I read. I absolutely love reading and find it so difficult to put a good book down!

I'm really looking forward to being in Venus class with you all and teaching you lots of wonderful things!

Hi, I'm Mr Pitman, I'm a teacher in 5 Venus!

Hello! I'm Mr Pitman and I am new to Ludlow so hopefully you can help me feel welcome. I like teaching maths, geography and history, and can't wait to cover some great topics with you in these lessons. When I'm not at school, I like to run, cycle and hike. I love climbing mountains! I love biscuits and my favourite is a chocolate coated malted milk (yum!).

I can't wait to join the Ludlow team and get to know you all. See you in September!

Meet the other year 5 teachers

Hi I'm Mr Coker and I've been teaching at Ludlow for 2 and a half years. I love maths, geography, Art and P.E. In my spare time, I love riding my bike, running and paddle boarding.

I am looking forward to being in Neptune class next year and getting to know all of you. My hope for next year is that we can have lots of fun whilst we learn lots of new and interesting things. I hope we get to have some fun and exciting trips as well! I am really looking forward to meeting you all!

Hi, I'm Mr Coker, the teacher in 5 Neptune!

The classrooms!

5 Earth

5 Mars

5 Saturn

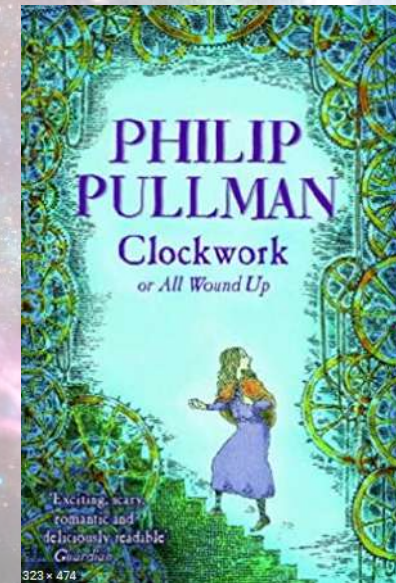

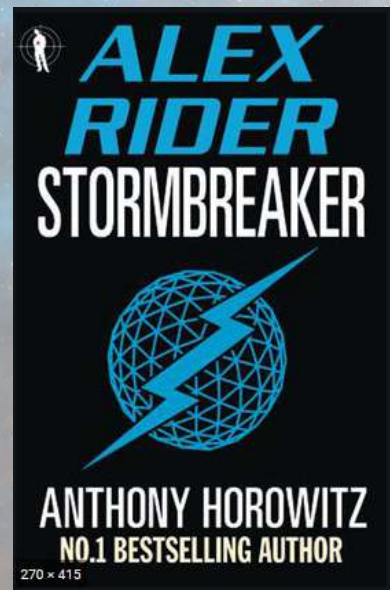

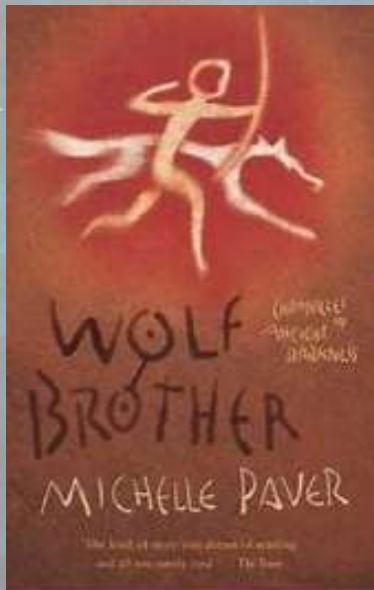

5 Venus

5 Neptune

Books we read

Our topics!

Earth and space

London

Monarchs

Southampton

The Mayans

The Amazon

This is an example of what our timetable could look like:

8:55 - 9:10 Gates open for Year 5

9:10 Register

9:15 Maths

10:25 Break time

10:45 English and ERIC

12:30 Lunch time

1:30 Foundation (history, science, geography, computing, art, French, PE)

3:30 Home time

Activity 2

Design a 'Y5 Hopes and Fears' Planet

For this activity, we would like you to show off some of your art skills!

For this, you need to draw a planet and use lots of colours to decorate BOTH sides - make it look as unique as possible

On one side, write the hopes that you have for year 5

On the other side, write the fears you have about year 5.

When we are back at school, we will look at your planets as a class and discuss some of the hopes and fears you have.
