

Easter DT Challenge

Let's be Design Technology Experts!!

You need to Research, Design, Make and Evaluate an Easter basket!
Can you make a basket which is strong enough to carry a hard-boiled egg?

You can use any materials you have at home and decorate however you like!

Please send in pictures of your amazing products!

Good Luck!!! From Mrs Klein and Mrs Lamb!

Here's a starting place, if you need one: https://youtu.be/bKossih_rf4

My Easter basket Design and annotations:

My Evaluation:

*What went well with your Easter Basket? What do you like?

*What didn't go well?

*What would you change?
