

## Challenge 2: Miss Dipietro's craft challenge!

Can you create a piece of art out of the things around your house?

Look below at how these pieces of art have all been made using bottle lids that would have been thrown away! Can you do something similar?

I'd love to see what you create so please send in any photos to: [challenge@ludlowjunior.org.uk](mailto:challenge@ludlowjunior.org.uk)
