

# Miss Wyatt's Music Challenges

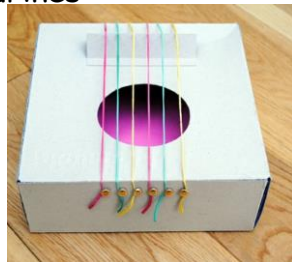

**Challenge 1:** Can you make your own musical instrument using recycled items in your house?

I would like you to be as creative as possible but here are some suggestions:

- Guitars
- Rainsticks
- Drums
- Tambourines

*Before you start...*

Please make sure you ask your parents/guardians whether you can use items of recycling in the house 😊

Here is a link to how to make some and let your creativity flow!

## **Challenge 2:** Ludlow's got talent!

Do you have a musical talent you would like to share with us?

Can you practise a tune or a song using your own instrument (made or owned) or your voice (singing) and perform it?

If you wish to, you can send in your performances via this email address  
[challenge@ludlowjunior.org.uk](mailto:challenge@ludlowjunior.org.uk)

When you e-mail your performances in make sure you include your full name and class name.

Have fun proving Ludlow has got talent!
