

# Mr Coker's Geography Challenge

## The Challenge:

A tricky challenge for all the family!

For this challenge you will need an atlas or Google maps.

In this challenge you will need to write the names of countries in capital letters:

e.g. ENGLAND I have coloured in the letters that enclose space within them.

There are 195 countries in the world.

There are 5 countries that do not have any letters that can be coloured in when written in capitals.

Can you find them?

## Hints and tips:

1. Try writing the Alphabet in capital letters to see which letters you can use...

A B C D E F ...  
 X X ✓ X ✓ ✓

2. Make a list of countries you know beginning with each ticked letter and eliminate them

C  
 CHINA X

CROATIA X

CHI...

3. Use the clues and a map with the names of the countries to look for the countries.

## Clues!

1. One Country is in South America
2. One Country is an Island in the Pacific Ocean
- 3 One County is between Europe and Asia
4. One country is a small group of Islands East of Africa
5. One country is the fourth smallest in the world and borders Austria and Switzerland
