

Mrs Lamb's Challenge

The Great Ludlow

Virtual Bake Off

Are you a regular baker? Challenge yourself with decoration - make a cake and decorate it showing an element of your personality, or make some cookies and decorate each one differently.

New to baking or not confident? Try making something you've never made before! Add some flavouring (chocolate chips are yummy!) to cupcakes, or try and make some cookies or flapjack.

Take some photos of your finished bake, and if you choose to make it again when we go back to school, I'm sure your teacher will happily taste it for you!

Enjoy baking - and eating!
