

Mrs Lucas' International Challenge!

I absolutely love going on holiday to France and speaking French. My challenge to you is to learn some words in a different language!

IDEAS!

- *Create a poster with words from your new language!*
- *Where is the language spoken?*
- *What are the flags of the countries where it is spoken?*

- *Call your family and friends and speak to them in a different language! (It can just be 'hello, how are you?')*
- *Do you already know someone who can speak another language? Ask them to teach you!*

- *Feeling brave? Video yourself speaking in a different language*
- *Send it to school and we can put it on the website!*
