As you all know, I love dancing so my challenge for you is to find out all about dancing!

What could you do? 🤔

- Research the different dance styles
- Research a famous dancer
- Research one particular dance style
- Look at the history of dance

How can you present your findings?

- A poster
- A power point presentation
- A drawing
- Write a story
- Produce a fact file
- Choreograph a dance in a style of your choice and video it (if you are feeling brave!)
