

Hamish's Blog

Hi Everybody!

Happy new year and welcome to 2021. Things are definitely a bit different this term but we must all stick together as a team!

I am so impressed with all the work you guys have been doing! Whether you are at school or home I'm so proud of you all for being such amazing Ludlow pupils!

My New Year's Resolution is to read more books! I'm challenging myself to finish a whole book before the half term! I'm reading Diary of a WIMPY Kid! Check my future blogs to see how much I can read! I'd love to hear about the books you are reading too!

As much as I still enjoy my walks I have to admit that the weather has been a bit rubbish! Exercise is so important friends, so I've been joining in with Mr Wright and Mr Cassim's Action Arena – Home Edition!

Are you joining in with the challenges and keeping active too?
