

# Ludlow Junior School

## School Meals £2.40 daily

Our catering team provide around 350 hot meals each day to our pupils and include a choice from meat and vegetarian dishes, rolls and jacket potatoes, daily bread, self-service salad bar, choice of dessert and self-service milk or water.

We issue our seasonal menus before the start of each term, so parents are informed of each day's offer. Copies of our current menu are available from our school office and on our website.

**School meals should be paid for in advance, no later than registration on the morning the meal is required.**

### How to pay

We use IRIS/Parentmail for all school communication and online payments. Once registered you will be able to view the menus, order meals in advance and top up your child's school meal account by using the "Accounts" section. Alternatively, providing there is sufficient credit on your school meal account, your child may choose their meal in the classroom each morning.

**Dinner orders received without credit on your child's account will result in a request to bring a packed lunch in for your child on that day by 11.00am or for a payment to be made by 10.00am in order for us to order your child their choice of hot meal from the kitchen.**

If you feel you may be eligible for a free school meal for your child, please contact Ms Ede on 02380 425955 in the first instance to confidentially discuss how we may be able to help you.
