## **Your LOCAL School Uniform Supplier**

We are pleased to have once again been appointed as stockist of your school's uniform.

Being local it is normally easy to just pop in with your child, try on the uniform and take it home. However during the peak sales time of the summer holidays it is not possible to guarantee stock levels, so we would encourage you to purchase as early as possible. We appreciate that some parents prefer to leave it late in case their child grows over the Summer. To help with this, if you purchase early we will happily exchange any unworn & tagged items for bigger sizes right up until the end of August.

### **Purchases can be made:-**

- 1) Over the counter at the shop and take away with you on the day if in stock ;
- 2) Place an order in-store and we can notify you when everything is ready to collect in one go ;
- 3) Order online for either home delivery or Click&Collect in store.

Please visit [www.wearabouts.co.uk](http://www.wearabouts.co.uk) (click on the "Children" tab in the menu and select your school)

**Listed below are items and sizes regularly stocked bearing your school's NEW badge.**
