

How accessible is the Ludlow Junior environment?

At Ludlow, we aim for an environment that enables all children to access high quality education.

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to pupils with disabilities.

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

We now have two enabled toilets on site. There are ramps at most entrances to enable wheelchair users to access the environment. The school has taken additional measures to adapt the environment so that the needs of children with visual or hearing impairments can be met.
