

How will my child be included in activities outside the classroom including trips?

We want all children to benefit from the education we offer within and beyond the classroom environment. We aim to fully include all children in the wider school curriculum and extra-curricular activities.

There are a very limited cases where it is not possible to take a child on a trip or visit. This may be due to hazards and risks within the off-site environment. If this is the case, we will aim to ensure a linked alternative provision is made.
