We refer to the guidance in the School Food Standards to develop our menu.

To give the children more choice in picking food items that they enjoy, we will have the following sections

**Jacket Potato Bar** – This will offer a choice of fillings including Cheese, Baked Beans and Tuna Mayonnaise as standard and children are welcome to choose up to two toppings for their jacket potato.

**Salad Bar** – A selection of salad items will be available daily as an additional item for all main meals and baguettes.

**Dessert Bar** – This will offer a main sweet treat pudding each day, as well as alternatives such as vegetarian friendly yoghurts, fresh fruit and cheese and biscuits.

**Baguette Bar**- A selection of bread options will now be available daily for your child to choose from. Cheese and ham baguettes will be on daily, as well as an additional option giving them more choice if wanting a cold lunch over the summer months.

A selection of bread items will be available throughout the week, ranging from sliced bread, petit pains and brown rolls as an additional item for main meals only, where a bread has not already been included e.g. Baguette/Garlic Bread

Milk and water will be available daily over the lunch period.

Our Catering Team can be contacted via the main school reception and can help you with;

- Information on Allergens.
- Identifying a menu suitable for your child if they have a dietary requirement
- A menu for a dairy/gluten free diet

Our CFK menu will provide your child with a healthy and nutritious diet that also engages and interests them

Please note the menu may be subject to change to meet the local needs.

## Think Allergy

When someone asks you if a food contains a particular ingredient – always check.  
From 13 December 2014, food businesses will need to provide information about allergenic ingredients in the food they serve.

### Which ingredients can cause a problem?

For more information and advice about allergy, visit: [food.gov.uk/allergy](http://food.gov.uk/allergy)

A booklet **Allergen information for loose foods** is also available to download.
