

## Home reading

Please record your child's reading at home with a letter inside the books below. 'I' is if they have read independently or 'S' is if they have been supported (read to, read with or you've discussed the text). Children will then be able to keep this in their reading folder at school to record their home reading.

Rewards and incentives: for every home read, your child will receive 5 house points. For every 5 home reads, your child will receive a reading sticker!
