Year group: 3 **Unit: 5**

Term: Summer 1

Curriculum Strand: Multimedia

Unit Overview

This unit will look at the different features of the computer program PowerPoint. The children will explore the similarities between other programs and the benefits and purpose of using PowerPoint. They will then create their own published piece of work.

Objectives

- * I can create different effects with different technology tools.
- * I can combine a mixture of text, graphics and sound to share my ideas and learning.
- * I can use appropriate keyboard commands to amend text on my device, including making use of a spellchecker.
- * I can evaluate my work and improve its effectiveness.
