

The Ludlow Link

HOME LEARNING

Hi Ludlow Learners!

As we are back in Lockdown and can't all learn together at school, we thought we would bring you a special edition of the Ludlow Link so that you are up-to-date with all of the things you can get involved with at school.

We are so proud of the hard work you are putting in and know that remote learning is really tricky! Please remember that although we are not all together again at the moment, your teachers are always here for you.

The Ludlow Team

Head teacher Awards

Teachers have been showing some of the fantastic work you have been sending in to Mr Watkins. He has been so impressed that he has designed some very special Head teacher Awards. Well done to all of the children who have earned these so far. Let's see if you can achieve one next week!
